Illinois Governor Does This to Fight High Prices.

CHICAGO, Ill., Feb. 20. (Sp.)—Gov. Frank O. Lowden, of Illinois, is wearing his old overcoat as part of the campaign against high prices. Mrs. L. K. Bowen, chairman of the women's division of the fair-price committee of Illinois, announced this today, telling the following incident:

"Gov. and Mrs. Lowden were in the elevator of a Chicago hotel two weeks ago, when Mrs. Lowden told him that his overcoat was shabby, and that he ought to buy a new one. How To Avoid INFLUENZA

Nothing you can do will so effectively protect you against the influenza or Grippe epidemic as keeping your organs of digestion and elimination active and your system free from poisonous accumulations.

Doctors and health authorities everywhere are warning people of the danger of constipation, and advising, and urging everyone to see that the bowels and other eliminative organs act freely and regularly.

Ordinary laxatives, purges and cathartics, salts, oils, calomel and the like, are good enough to clean out the system, but do not strengthen the weakened organs; they do not build up vitality.

Why don't you begin right today to overcome constipation and get your system in such shape that you can feel reasonably sure of resisting disease. You can do so if you will just get a 25c box of **Nature's Remedy (NR Tablets)** and take one each night for a while.

NR Tablets do much more than merely cause pleasant, easy bowel action. This medicine acts upon the digestive as well as eliminative organs, promotes good digestion, causes the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates kidney and bowel action and gives the whole body a thorough cleaning out. This accomplished you will not have to take medicine every day. An occasional NR Tablet will keep your body in condition and you can always feel your best. Sold and recommended by druggists.
